

FOCUS Broadband Cable Update

Effective August 31, 2024

Removal of NFL Network & NFL RedZone

Effective August 31, 2024, NFL Network (Channel 265 in the Advanced Package) and NFL RedZone (Channel 268 in the Sports Package) will be removed from the FOCUS Broadband cable and MergeTV systems. This decision to remove this content was not made lightly, but it is one of many steps we will be taking to combat the rising costs of cable TV.

As a result of this removal, the monthly price of the Advanced Package will be reduced by \$0.75 effective September 1st. The monthly price of the Sports Package will also be reduced by \$1.00.

We understand that many of our customers enjoy NFL content and still wish to receive these channels. Both NFL Network and NFL RedZone are available directly through the NFL's own streaming app, NFL+. For more information on NFL+, visit www.nfl.com/plus/learn-more.
